

**CITY OF WEST PARK**  
**FREQUENTLY ASKED QUESTIONS**  
**for**  
**ITB# 23-0421: DEMOLITION OF UNSAFE STRUCTURES**

1. Please advise if the City is still accepting questions, as the RFQ shows no questions after Friday 4/14?

**Answer: Questions are no longer being accepted.**

2. Please advise if Contractor needs to pay permit costs as part of their bid price?

**Answer: Yes, permit fees are to be included in the bid price. Contractor is responsible to pay all permit fees.**

3. Please advise if surveys exist, or if we the contractors need to pay those costs?

**Answer: No survey exists; the contractor will have to provide it.**

4. Please advise on County fees, if they are part of our bid costs?

**Answer: No. All county and applicable fees are the responsibility of the contractor.**

5. Please confirm wage scale, if Davis Bacon rates are applicable?

**Answer: Not required as part of this bid.**

6. Please advise on NTP thru completion date. if Permit takes longer does NTP start after permit issued or does that include permitting time?

**Answer: Please see the Instruction to Bidders section in the bid package. Yes, NTP is issued prior to the processing of the permit.**

7. If possible can the city extend the due date for an extra two (2) weeks?

**Answer: No extensions will be given at this time.**
